Enter the quantity in the box next to the items you wish to order. Enter each price of the items you wish to purchase in the rightmost box of each item (remember to multiply the number given if you are ordering a quantity greater than 1.) Add the "Price of Total Items Ordered" boxes and enter the total in the last box at the bottom right of this page. Since there are separate pages for Growing With Grammar, Soaring With Spelling, and Winning With Writing, you must also perform this same task on those pages if you are also ordering one of the other products.
